We can proudly say that the Art Guild had a great year in 2011. The Art Guild school brought art education into the lives of 370 adults, teens, and children. Six free community programs presented by the Art Guild featured artist demonstrations by regionally and nationally recognized artists. Once again, we partnered with the Town Center Initiative to present *Glastonbury Art Walk*, showcasing local artists and local businesses. The *49th On the Green Fine Art & Craft Show* enjoyed brilliant weather for a weekend of fine art and hand-made craft. We ended the year with the highly successful Holiday Fine Art Exhibition & Sale. The Art Guild Board of Directors streamlined office procedures, eliminated unnecessary expenses, and advanced the organization's financial position. The Glastonbury Art Guild is moving forward and has great plans for the future, but it can't happen without your continued support.

Our future includes you and you can make a difference. Encourage your friends to join, people like you who love and support the arts. If you are able, consider making an additional contribution. No donation is too small and every little bit really does count and will contribute to a great 2012 and beyond.

Join our growing team of member volunteers. Do you like to plan and execute? Join a committee for a closer look at what it takes to make your Art Guild one of the region's best art organizations. Our big event for the year is the *On the Green Show* in September and it offers many ways for you to volunteer and get involved in the planning and presentation of the show. And, don't forget that Art Guild members may exhibit their work in the Membership Tent at the On the Green Show. Pitch in and help with our program meetings featuring artist demonstrations; adopt a flower bed at our facility and keep it weed free for the Summer season; help out with office chores like stuffing envelopes. When you send in the enclosed membership renewal form, tell us about your interests and how you would like to become involved. Join the fun and share the rewards that our members experience in making the Art Guild a vibrant force for the arts in our community.

There's a place for you. Are you looking for a creative outlet? The Art Guild's instructional classes in oil, pastel, drawing, and watercolor are ready and waiting. Our classes for children continue to receive high praise for challenging the youngest of artists to excel. Art Guild members receive a \$10 discount on every class taken. Our teachers are exceptional and the small class sizes guarantee that you receive the personal attention you want and deserve.

Participate in what you choose, share in our optimistic plans, and help shape the Art Guild's future. We promise that your efforts will be repaid in the satisfaction and fulfillment you receive by supporting and realizing our Vision and Mission.
