

Our members are the heart and soul of Glastonbury Arts. No matter where you live, we invite you to join!

Glastonbury Arts was founded in 1962 under the name Glastonbury Art Guild. Our founders were a dedicated group of men and women who were passionate in their commitment to the arts. Today, Glastonbury Arts continues to enrich and engage individuals in the creation and appreciation of art through art instruction, mentoring, scholarships, art appreciation programs, and art exhibitions.

Glastonbury Arts members include full-time professionals with established careers who earn their living through their art; people who study art seriously; individuals who are just beginning to explore their creative talent; patrons; and art lovers. We also count among our membership the adults and children who find their lives enriched by art classes. Last, but certainly not least, we welcome the members whose love of art and admiration of artists propels them to volunteer their time and efforts to support various Glastonbury Arts programs and special events.

Your membership dollars contribute to the cultural life of our community. We welcome your interest, support and participation.
